at the Roy Smith Shelter House*

*When: Saturday - Feb. 18, 2012

We will be active on CW & SSB in the General areas of the 15, 20, 40 and 80 meter bands (Echo Link on the K8SRR echo link node) and anything else we can get working. Participating stations will be using their own call sign/FYAO, or calling "CQ FYAO" (only stations at the Freeze Your Acorns Off event should use the /FYAO designator). A certificate is available for any contact with the club station, K8BF, or any other station at the event using the /FYAO designator. Yes, we'll be braving the cold snowy weather of North Eastern Ohio to set up QRP stations using portable power and antennas.

To get your beautiful color (suitable for framing) 8" x 10" certificate for contacting K8BF or other /FYAO participant, send your QSL with a large SASE to the club call trustee: Al Atkins, KB8VJL - 12433 Chamberlain Rd. - Aurora, OH 44202

So, from the comfort of your warm radio shack - give us a contact while we're out freezing. We'll need all the contacts we can make to help keep us warm. Your support will be very much appreciated!
