SUN 24 JUN	12:00 - 14:00	80M	W8YIH Sylvester	

**The CW Station has priority on 40M and 20M in the CW/Digital subband.
Coordinate with CW Station when operating digital on 40M or 20M to
operate on the band they are not on.**

**This schedule is somewhat flexible. If you want to operate or
log and someone is on the schedule, check in anyhow in case
someone could not show up.**
